LLESA Club Rules: <http://www.llesagolfng.org/llesa-local-rules.pdf>

Scramble rules:

- Both golfers tee off on each hole and decide which tee shot to use and mark the spot. Both players play their next shot from that spot and repeat until the ball is holed.
- Balls must be placed within one club length (no closer to the hole) staying in the same cut.
- If you decide to play a ball that was hit into a hazard, balls must be placed within one club length (no closer to the hole) staying in the hazard.
- You may clean your ball before placing, even in hazards.
- If a ball is hit out-of-bounds, the ball is out of play even if one club length will bring it back into play.
- If both balls are hit out of bounds, then use the club local rules on OB and lost ball. (<http://www.llesagolfng.org/llesa-local-rules.pdf>)
- On the putting green, balls must be placed within the width of the putter head (no closer to the hole).
- NOTE: The FIRST ball to go in the hole is counted for the team score. When putting, once any ball is holed out, no further strokes count. The team is cautioned not to make “tap” in putts until both players have had the opportunity to attempt the team's original putt.

Other notes:

- Hole #15 is closed and a new hole #2 replaces it. This results in 5 par 3 holes. The scorecard that Lone Tree will give everyone is correct. We will use the **green tees**, titled Temp-Green-Men. Write down scores in the order that you play them. The signs on the tee boxes for holes #3 thru #16 will be off by one, since this is a temporary fix until #15 is repaired and open. After hole #1, turn a sharp right to get to hole #2. All other holes are as they were before (besides #15). The greens in general are very fast.
- Many of the greens have plugged old hole locations that are not smooth to the putting green. We are allowing line-of-sight relief from them if they are between your ball on the green and the hole. You may move your ball laterally to clear a repaired hole patch, No closer to the hole.
- There is no practice putting green, as it is completely torn up and is being replaced. The driving range is available.
- Since this is a scramble, we used 15% of the higher handicap player's HC and 35% of the lower handicap player's HC.
